

## *A Forensic Psychiatric Nurse's Perspective*

### **Featuring:**

**Carol Hobson,  
Forensic Psychiatric Nurse  
Forensic Psychiatric Hospital,  
Colony Farm, Coquitlam**

Carol will describe the complexities of her work at the hospital and offer some insight into what B.C. provides for patients with a mental illness.

She will also explore the challenges that exist with public perception and the people held in the forensic system, and with family members who continue to support their ill relative.
