Pathways Serious Mental Illness Society Gala Fundraising Luncheon

"By coming together and helping each other, we create a circle of strength that cannot be broken".

Pathways Circle of Strength complimentary luncheon provides a forum to help raise awareness about serious mental illness and the importance of getting those who need help into treatment as soon as possible. The luncheon allows people who attend to hear directly from family members how they have been helped by Pathways and its "Families Helping Families" model.

Please join Curt Petrovich, Master of Ceremony and Canadian Journalist, CBC, for an inspiring luncheon at Hollyburn Country Club.
