

*Dear Friends,*

Here at Pathways Serious Mental Illness Society, we host an annual "Christmas Banquet" in which we target residents of group homes who are living with a variety of mental illnesses. This is an amazing event that is run by our volunteers and event sponsors. This event is very special as it is giving people, whom otherwise may feel very alone or isolated at Christmas, a chance to socialize and enjoy a warm meal among others.

As many of you know, Pathways is a pioneering family-support organization. We have been providing help for those who have relatives with mental illness for over 23 years. We offer personal support and information, education, awareness, and advocacy. We cover all serious mental illnesses – schizophrenia, depression, bipolar disorder, anxiety disorders (including obsessive-compulsive disorder, and borderline personality disorder.

Every year at Christmas, Pathways makes a special effort to reach out to its members across the lower mainland. We're inviting you to join us this year to help spread a little cheer and share a little love this holiday season. This annual dinner is a highlight for everyone attending and provides a social setting for old friends to meet up again. Help us reach our goal of serving 150 guests this year! Please review the donation options below:
